

LIST OF ORAL PRESENTATION

No	Abstracts Title
ORAL SESSION 1 (Al-Biruni)	
1	Assessing the Readiness of Dental Students in Providing Dental Health Education (DHE) Regarding Sugar: A Pilot Study
2	Effectiveness of Blended Learning Compared to Learning through Conventional Teaching in Preclinical Fixed Prosthodontics
3	Cytotoxic Effect of Allicin on Nasal Squamous Cell Carcinoma, RPMI 2650
4	Cost Analysis of Complete Denture Fabrication in a Teaching Institution
5	Prevalence of Oral Mucosal Lesions in Patients Attending Oral Medicine Clinic, UiTM Dental Centre
6	Repeat Analysis for Digital Intraoral Imaging Among the UiTM Undergraduate Dental Students
ORAL SESSION 2 (Al-Zahrawi)	
7	Formulation and Evaluation of New Periodontal Gel from Anise
8	Breastfed vs Bottlefed: A Retrospective Study on Orofacial Development in Faculty of Dentistry, UiTM
9	Attitude And Knowledge Among Medical Students Towards Medical And Dental Collaboration
10	Quantitative Monitoring of Microbial Contamination to Increase Awareness in Cross Infection Control during Dental Practice
11	Bottle-Fed vs Breast-Fed: Speech Development in Children
12	Pre-Operative Diagnostic Radiograph Interpretation on C-Shaped Canal by General Practitioner
ORAL SESSION 3 (Al-Biruni)	
13	Minimum Inhibitory Concentration (MIC) And Minimum Bactericidal Concentration (MBC) of <i>C. racemosa</i> Extract Against Oral Infections
14	Validation of Medical Emergencies in Dental Practice Questionnaire (MEDPQ)
15	Accuracy of CBCT in Detection of Second Mesio Buccal Canal in Upper Molars: A Pilot Study
16	"Depression: Let's talk" -Dentists perspective
17	The Effect of Organic Flaxseed Paste on the Colorimetric Parameters of Demineralised Tooth Surface
18	The antifungal activity of pteropodine and its synergistic effect with antimicrobial drugs against <i>Candida albicans</i> .
ORAL SESSION 4 (Al-Zahrawi)	

19	Micro-Computed Tomography: To Determine The Accuracy In Working Length Determination Of Straight Canal Tooth
20	Attitude and Knowledge of First Year Dental Students toward Smoking Cessation Promotion
21	Dentist's Role in Idiopathic Thrombocytopenic Purpura – A review.
22	Correlation Between Dental Caries Experience, Salivary Parameters and Level of Cariogenic Bacteria Among Adults' Patients in UiTM Sungai Buloh
23	Influence of Clinical Experience On The Performance Of Visual Inspection In Detecting Caries Using ICDAS
24	The Evaluation of Risks in Periodontal Patients: A Pilot Study
ORAL SESSION 5 (Al-Biruni)	
25	Effectiveness of oral health education through traditional and mobile application learning method at SRIP Saujana Utama in Selangor.
26	Hospital Acquired Infections : A Dental Perspective
27	Evaluation of Problem Based Learning In The Undergraduate Dental Curriculum: Students and Facilitators Perspective
28	Application Of Prescale Film For The Occlusal Force Of Dental Patients
29	Assessment of Intraoperative Blood Loss During Minor Oral Surgery
ORAL SESSION 6 (Al-Zahrawi)	
30	Clinical audits of Stainless Steel Crown done by UiTM Undergraduate Student
31	Efficacy of Nigella Sativa on Eradication of Candida Albicans on Acrylic Denture Base
32	Patient's Discomfort Associated with Fixed Orthodontic Appliances.
33	Evolution Of Endosseous Implants
34	A comparison of tooth shade selection between use of visual approach, digital cameras and smart phone cameras
ORAL SESSION 7 (Al-Biruni)	
35	Aesthetic Preference of Facial Profile on Multiracial Samples of West Peninsular Malaysian Population
36	Bottle-Fed Versus Breastfed: Bite Force Measurement and Masticatory Muscle Strength Dental Health Education in the 21st Century
37	Management of Medical Emergencies Amongst Malaysian Dentists: A Psychometric Analysis
38	An Evaluation of Decision Aid in Shared Decision Making Process regarding Fixed Prosthodontic Treatment Options
39	Awareness and Opinion of Dentist Towards the Shortened Dental Arch Concept in Faculty of Dentistry, Universiti Teknologi MARA

40	The Clinical Status of First Permanent Molar in Children aged of 7 to 10 years old in Sekolah Rendah Agama Sg Buloh
ORAL SESSION 8 (Al-Zahrawi)	
41	Relationship between Students Sleepiness Scale and Exam Result In UiTM Dental Students a Pilot Study
42	To save or extract a tooth: The socioeconomic and demographic factors associated with treatment preferences
43	Comparison of breath carbon monoxide level in E-cigarette users, conventional cigarette users, both users and non-smokers
44	Edutainment Flashcards In Undergraduate Teaching And Its Effectiveness
45	Comparison of Antiplaque, Antigingivitis and Anti-Streptococcus mutans Effectiveness of Probiotic and Chlorhexidine Mouth Rinses – A Randomised, Controlled Trial
46	A Retrospective Study of Periodontal Referral Pattern in Periodontal Specialist Clinic In Faculty of Dentistry, UiTM
ORAL SESSION 9 (Al-Biruni)	
47	In vitro- Investigation of Antimicrobial Effect of Biosurfactant on Orthodontic Appliance
48	The Prevalence of Minimal Invasive Dentistry (MID) Approaches in Clinical Practices by UiTM Dental Students.
49	Botulinum Toxin-A, In Unraveling Gummy Smile: A Clinical Study
50	Primary Stability of Self-Tapping Dual Etched Implants
51	The Incidence of Error in Detecting Different Scores Using ICDAS
52	Dental Student Perception of Effective Clinical Training
53	Histological Observation of Oral Mucosa of Experimental <i>Sprague-Dawley</i> Rats Following Application of Tooth Whitening Agent
ORAL SESSION 10 (Al-Zahrawi)	
54	'Lumina'- A Novel Technology In Microscopy For The Colorblind.
55	Evaluation Of The Efficacy Of Garlic Gel As An Adjunct To Scaling And Root Planing In Chronic Periodontitis Patients: A Clinical And Microbiological Study.
56	Clinical efficiency of initial archwires for tooth alignment using fixed appliances
57	Risk Management : Awareness and Assessment of Managing Risk in Dental Laboratory
58	Questionnaire validation of perception towards ICDAS II and DMFT caries scoring system among dental academicians in Malaysia
59	Perceptions Of Behaviour Management For Paediatric Patients Among UiTM Dental Students
60	Review on the Safety of E-cigarettes as Tobacco Cessation Tools.

ORAL SESSION 11 (Al-Biruni)	
61	Knowledge About Vitamin D Among The Parents Attending Paediatric Clinic, Faculty of Dentistry, UiTM
62	The Antimicrobial Properties of Malaysian Propolis as Intracanal Medicament in Endodontics

LIST OF POSTGRADUATE e-POSTER COMPETITION	
No	Abstracts Title
1	MicroRNA Expression in Oral Cancer Cell Line
2	Influence of Exposure Time To Coffee On Color Stability Of Selected Composite Resin Veneers
3	Fractionation and Identification of Some Pure Compounds From <i>Coleus Blumei</i> Leaves Extract
4	Cytotoxic and apoptotic effect of Dillapiole on human oral squamous cell carcinoma, SCC090 cell
5	Oral Health-related Quality of Life (OHRQoL) of Patients undergoing Micro-osteoperforations (MOPs) to Accelerate Orthodontic Space Closure
6	A Clinical Assessment of Debonding Characteristics between Metal and Ceramic Brackets
7	A comparative premaxilla bone remodeling study between conventional complete dentures and conventional maxillary denture opposing 2-implant retained overdenture
8	Alveolar Cortical Bone Density in Different Skeletal Relationship
9	A Longitudinal Study Of Incisor Movement And Its Correlation With Hard Tissue In UiTM Bimaxillary Protrusion Cases
10	Prediction of orthodontic relapse by salivary protein analysis
11	A comparison of three methods of orthodontic anchorage: A prospective study
12	Pattern of Root Resorption in Curved Root Teeth In Orthodontic treatment 3D Imaging
13	Prevalence of Skeletal And Dental Class I Bimaxillary Protrusion From Assessment Of Photographs: A Pilot Study
14	Preliminary Analysis of Soft Tissue Features of Bimaxillary Protrusion
15	Effects of <i>Ganoderma lucidum</i> Extract on Ribonucleotide Reductase Gene Expression in Oral Cancer Cell Line
16	Stainless Steel versus Titanium Alloy Micro-implants in Upper Labial Retraction

LIST OF UNDERGRADUATE POSTER PRESENTATIONS: Oral Health Promotion

No	Title	Discipline
1	Your mouth is a battleground	
2	May the floss be with you	
3	Choose implant overdenture to secure your denture	
4	Odontalgia apocalypse	
5	What is Halitosis?	
6	Thumb sucking	
7	Guard your mouth, play it wild	
8	My traumatic injury	

LIST OF UNDERGRADUATE VIDEOS (Competition)

1	Don't Forget Basic Medical Science	Centre of Preclinical Science
2	Prosthodontics—Everything is Possible	Centre of Restorative Dentistry Studies
3	Gingival Recession	Centre of Periodontology Studies
4	Type of Braces	Centre of Paediatric Dentistry & Orthodontics Studies
5	Dental Anxiety Meets BLS	Centre of Oral and Maxillofacial Studies
6	Revolution of Radiology	Centre of Oral & Maxillofacial Diagnostic and Medicine Studies
7	One Problem, Infinite Solutions	Centre of Comprehensive Care Studies
8	Drop the Cigarette s	Centre of Population Oral Health & Clinical Prevention Studies
